Over Vista Nova

Bij Vista Nova verhogen we met elkaar het werkgeluk van de Nederlandse beroepsbevolking. Dat doen we niet alleen, maar samen met jou als loopbaanadviseur, HR-professional of manager.

Onze opleidingen, trainingen en masterclasses zorgen ervoor dat jij sterker staat als adviseur, coach of leidinggevende. We bieden kennis, vaardigheden en inzicht en geven jou praktische handvatten, die jij direct kunt inzetten.

Als opleidingsinstituut voor loopbaan en leiderschap leiden we zowel beginnende als ervaren loopbaanadviseurs, HR-professionals en managers op. Onze docenten en supervisors beheersen de methode Hoogendijk, het Koersonderzoek, tot in de puntjes en staan klaar om hun kennis en ervaring met jou te delen.

Noloc

Vista Nova leidt op volgens de competenties en gedragscode van de Noloc. [De gedragscode vind je hier](#). De [Beroepsopleiding tot Loopbaanadviseur](#) van Vista Nova omvat 400 PE-punten, volgens de Noloc-normering.

Aanmelding en registratie bij Noloc

Voor beginnende loopbaancoaches is het goed om je aan te sluiten bij de [Noloc](#), de beroepsvereniging van loopbaanprofessionals. Via de Noloc ontvang je informatie over het vak en het werkveld en er is de mogelijkheid om aan te sluiten bij kringen waarin je met vakgenoten kunt sparren over het vak.

Met je aanmelding krijg je gratis toegang tot diverse diensten van Noloc. [Bekijk hier de voordelen](#). Verder ontvang je (flinke) korting op diverse producten, zoals het Loopbaancongres, opleiding of certificering.

St!R

Vista Nova leidt op volgens de coachcompetenties en gedragscode van de St!R. De [Beroepsopleiding tot Loopbaanadviseur](#), waarin individuele coachtechnieken een belangrijke plaats innemen, heeft het St!R predikaat Erkend Coachopleiding gekregen. Dit betekent dat alle studenten die vanaf 2011 de opleiding volgen, zich bij diplomering kunnen laten registreren als Erkend Coach bij [St!R](#).

[Bekijk hier de voorwaarden voor de erkenning als Erkend Coach](#).

De registratie als Erkend Coach is geldig voor een periode van 5 jaar. Na 5 jaar moet u zich opnieuw registreren. Meer informatie is te vinden op de website van [St!R](#).

Career Orientation Techniques

Discover the power of Career Orientation in this inspiring and thorough training for HR professionals and career coaches.

As an HR advisor or coach, you want nothing more than to help people develop their careers. However, sometimes it is difficult to know where to start and what steps to take to help someone further. These Career Orientation Techniques form a method known for its thorough and inspiring approach to development and career conversations.

This method focuses mainly on discovering the most vitalizing career prospects and that makes it unique. Because what is more important than doing work that gives you energy and makes you happy?

During the three-day Career Orientation Techniques training you will learn to work with some essential parts of this method, such as the biography, core quadrants, the theory of elements and your professional mission. This interactive training offers on-site teaching days, e-coaching and practical assignments. You will also work with a trial client to immediately practice the techniques that are presented to you. This is often a fellow student. It is an ideal way to further develop yourself as an HR advisor or coach and to improve your skills in the field of career advice.

The training is given by an experienced career coach who knows the method like no other and can teach you all the ins and outs. After this training, you will be able to help people in an inspiring and thorough way to discover their most vitalizing career prospects. This way you can help them on their way to a career in which they can develop and be happy.

Prior to the training, we conduct an individual intake, during which we discuss your personal objectives and learning wishes.

The ***Career Orientation Techniques*** training has been awarded **18 Continuing Education hours** by the Dutch Order of Professional Coaches (NOBCO). More information can be found at: nobco.nl

This training is suitable if:

- You have at least HBO work and thinking level.
 - You have already gained experience with coaching or one-on-one conversations. For example, as an HR professional, manager or (corporate) recruiter, where you regularly encounter career issues. Or as an independent coach, where you also have to deal with career issues.
-
- You want to help people with career questions answer these questions or refer them to a career coach.

After following this training:

- You will recognize career-related questions and be able to proactively address them, both within the organizational context and in relation to the client.
 - You will be familiar with the structure of Career Orientation.
 - You will understand the different life and career stages and have the ability to tailor interventions accordingly.
-
- You will have an eye for inspiration and vitality in your client and within the organizational context.
 - You will have a better understanding of your own direction.
 - You will have the tools to collaboratively develop a concrete, results-oriented action plan with the client.

Nice to know:

- The training lasts 3 months and consists of 3 training days from 9:30 am to 5:00 pm (entry from 9:00 am)
 - There are always 4 weeks between training days
 - The investment for the masterclass is € 2,250, including lunch, coffee, tea and soft drinks
 - You will receive material associated with the Course Research, such as the manual and the Career Orientation method workbook.
-
- The minimum number of participants is 6 and maximum 12.
 - Location: Vista Nova – Stadsring 105 in Amersfoort.
 - The training is given at HBO level
 - At the end of the training you will receive a certificate of participation with the number of contact hours (18) and study load hours (18) for PE points

At the start of the course you will receive an overview of the teachers.
